10 Disturbing Trends in Subliminal Advertising

By Martin Howard

Source: HowTheyChangeYourMind.com

In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

2 Corinthians 4:4

Some of the biggest advertisers are taking their advertising away from full-page ads and television spots and spending up on hidden persuasion. You won't find these secret messages in ice-cubes or flickering film footage like they were in the sixties. Subliminal advertising has gone mainstream - fake news, mind control scripts, propaganda and stealth voicemail are in wide use by corporations, government bodies, and industry groups. Have you spotted any of these?

1. Point of Sale Mind Control Scripts

Clothing store staff and car salesmen use them to close the deal - carefully planned questions and subverbal cues to get you to sign. If you've ever walked out of a store, after spending twice as much as you wanted to, chances are you've fallen victim to one of these scripts. The GAPACT is used by Gap staff to upsell you. Other salesmen use word techniques to make you buy, even when you don't have the money - because they make more by selling you 'easy' finance. When a car salesmen takes you on a test drive and asks you "Is this the type of vehicle you would like to own?", he is using a subtle mental framing trick - it can create an embarrassing distraction while you drive. The technique is called disassociation - which is the ideal state for mental manipulation.

2. Doctor-Patient Drug Kick-backs

When a doctor recommends a certain heart medication or an antidepressant, chances are he has been paid a cash bonuses and perks by the manufacturer, making it difficult to give objective advice. Some pharmaceutical firms have gone so far as to invent and promote a new syndrome in order to create a market for a new drug! Social Anxiety Disorder (SAD) was devised in 1998 and publicized by planting fifty press stories and quizzes such as: "Do you have social anxiety disorder?". Soon after, Smithkline Beecham released Paxil - the 'cure' for SAD.

3. In-Store Sensory Manipulation

Scientifically tested visual displays, Muzak tapes, and even mind altering scents combine to maximize impulse spending. Specially designed music loops can keep shoppers in the supermarket for 18% longer. One study into use of airborne aromas, pumped into a Canadian mall, resulted in an increase of over \$50 per customer that week. In supermarkets, scientifically generated Planograms create the ideal shelf arrangement for certain products, skewing the shopper's eyes towards high value items. Companies pay slotting allowances for favoured placement. Aisle layout are change regularly - which prevents systematic shopping - forcing extra trips past the impulse item displays.

4. Private Conversation Rental

Positive buzz can be triggered artificially for a price. Marketers now recruit secret 'buzz agents' to promote to their friends and family. One buzz agency claims to have an army of agents in every major US city. Their job is to mention or display certain products as they go about their day, using their relationships as marketing channels. Music labels, book sellers, entertainment venues, and fashion outlets are using this method to establish new brands. Today's billion dollar 12-16 year olds are so immune to traditional advertising, mass media is no longer a reliable persuasive device - so the alternative is a 'synthetic grapevine.'

5. Neuromarketing

Corporations are going to enormous lengths to probe the minds of consumers - literally tapping into their brains. The Brighthouse Institute for Thought Sciences, in Atlanta, is one lab that is scanning people's brains with MRIs, in an effort to decode and record our subconscious thoughts and devise more seductive advertising. The process is being called neuromarketing. They are hoping to determine specific biological triggers that can be used by language engineers to stimulate purchases. This is the hi-tech fulfilment of pioneer psychologists Freud and Jung who established the connection between language and behaviour.

6. Chatbots and Stealth Voicemail

Personal phone messages from businesses or political campaigners can turn up in your morning voicemail, having been delivered late the previous night. Voicemail broadcasters like DialAmerica uses massive computer installations to deliver identical copies of spoken messages to millions of householder simultaneously. On the internet, chat room 'bots' masquerading as personal real buddies are actually distributed simultaneously by powerful computers 24 hours a day. Virtual word-of-mouth communication is replacing other promotional technologies because of its speed and price.

7. Real-time Bugging of Personal Data

Your browser is probably revealing more than you might want: your location, the software and hardware you are using, details of other links you clicked on and your browsing habits. Many third party dataminers use 'cookies' to track your path across the web. Extensive realtime information is processed to target you. Larger databases harvest your personal medical and financial records to be bought and sold by interested companies and government departments. Datamining is a fuzzy science that filters your personal information for links about your personal behaviour and finances. These details are used in turn to create elaborate marketing campaigns to sell you more stuff.

8. Sidewalk Stalkers

The public space of streets, neighborhoods and communities is being mapped and targeted by viral marketers and fake grassroots organizations. In some cases the campaigns are overt but, increasingly, street 'agents' are making unannounced social approaches. Fake tourists flash around the latest camera-phone to passing crowds. 'Product seeders' circulate at sports events to find influential young players to wear their gear. Others wander the street wearing colored corporate tattoos. Personal space is the last frontier for commerce. As citizens attempt to retreat from the deluge of media advertising they can now be stalked when they step out the door.

9. Planted News Stories

Industry front groups, public relations firms and government departments are planting news stories on TV, radio, newspapers and the web. Those 'miracle drug' stories or research reports are often Video News Release (VNRs). TV newsrooms love these prepackaged news items that are distributed across the networks. It saves them time and money but it is killing community news and genuine investigative reporting. Real news items are being replaced by slick corporate promotions and political messages. According to one Nielsen Media Research Survey, about 80 percent of U.S. news directors air VNRs several times a month, and all American television newsrooms now use VNRs in their newscasts.

10. Government Propaganda

When it's time to launch a war or promote an unpopular policy, the government needs special help to sell the idea through the media. Opinion engineers are paid to "manage" public perception of inconvenient facts, and turn them around for better. Using the universal tools fear, patriotism, and phrase repetition, these high flying spin doctors can easily sway the population. The most successful public relations campaigns aim to change public perception without our awareness of the campaign. They are typically launched by governments, institutions and countries who need to change their public image, restore their reputation or manipulate public opinion. There are PR firms today who advise dictatorships, dishonest politicians and corrupt industries to cover up environmental catastrophes and human rights violations.

Online Protection from Identity Theft

Internet identity theft, phishing, and on-line financial fraud are increasingly becoming compelling drivers for deploying strong authentication for consumer applications. As financial institutions and e-commerce sites launch new initiatives to shore up consumer confidence in their brands, online banking and transactions, government agencies have begun to recommend identity protection guidelines. For example, the recent guidance on Authentication in an Internet Banking Environment (FFIEC-AUTH) issued by the Federal Financial Institutions Examination Council (FFIEC), recommends that financial institutions offering Internet-based products and services to their customers should use effective methods to authenticate the identity of customers using those products and services. Specifically - the FFIEC-AUTH considers single-factor authentication, as the only control mechanism, to be inadequate in the case of high-risk transactions involving access to customer information or the movement of funds to other parties.

Many of the programs that we studied do not met these standards.

- ***Be Careful What You Download.*** When you download a program or file from an unknown source, you risk loading malicious software programs on your computer. Fraudsters often hide these programs within seemingly benign applications. Think twice before you click on a pop-up advertisement or download a "free" game or gadget.
- ***Use Your Own Computer.*** It's generally safer to access your online accounts from your own computer than from other computers. If you use a computer other than your own, for example, you won't know if it contains viruses or spyware. If you do use another computer, be sure to delete all of the your "Temporary Internet Files" and clear all of your "History" after you log off your account.
- ***Don't Respond to Emails Requesting Personal Information.*** Legitimate entities will not ask you to provide or verify sensitive information through a non-secure means, such as email. If you have reason to believe that an affiliate program actually does need personal information from you, pick up the phone and call the company yourself - using the number in your rolodex, not the one the email provides!

Security Tip: Even though a web address in an email may look legitimate, fraudsters can mask the true destination. Rather than merely clicking on a link provided in an email, type the web address into your browser yourself (or use a bookmark you previously created).

- **Be Smart About Your Password.** The best passwords are ones that are difficult to guess. Try using a password that consists of a combination of numbers, letters (both upper case and lower case), punctuation, and special characters. You should change your password regularly and use a different password for each of your accounts. Don't share your password with others and never reply to "[phishing](#)" emails with your password or other sensitive information. You also shouldn't store your password on your computer. If you need to write down your password, store it in a secure, private place.
- **Use Extra Caution with Wireless Connections.** Wireless networks may not provide as much security as wired Internet connections. In fact, many "hotspots" - wireless networks in public areas like airports, hotels and restaurants - reduce their security so it's easier for individuals to access and use these wireless networks. Unless you use a security token, you may decide that accessing your online brokerage account through a wireless connection isn't worth the security risk. You can learn more about security issues relating to wireless networks on the website of the [Wi-Fi Alliance](#).
- **Log Out Completely.** Closing or minimizing your browser or typing in a new web address when you're done using your online account may not be enough to prevent others from gaining access to your account information. Instead, click on the "log out" button to terminate your online session. In addition, you shouldn't permit your browser to "remember" your username and password information. If this browser feature is active, anyone using your computer will have access to your brokerage account information.
- **Monitor Your Credit Report.** Reviewing your credit report may alert you to unauthorized activity, and, therefore, can be an effective way to fight identity theft. You can obtain a copy of your credit reports from the [3 major credit bureaus here](#).

The Power of Giving – By Anthony Robbins

Whether it's donating to your favorite nonprofit or putting your money into the basket at church, there are a number of people who make an effort to charitably give something. As Tony often says, only those who have learned the power of sincere and selfless contribution experience life's deepest joy: true fulfillment.

But maybe it's time to take that selfless contribution to the next level. One way you might consider is to tithe, or voluntarily contribute a tenth part of your annual income. Though giving away 10% of your income may at first seem a bit too selfless, the key is to stop thinking of it as charity and instead consider it an investment! Tony believes that the more you grow and contribute, the more energy, strength, power, and insight comes to you, ultimately making you feel more alive!

[Sir John Templeton](#), billionaire investor and expert contributor to Tony's [Life Mastery program](#), considered tithing the best investment a person can make, regardless of his or her financial situation. Sir John himself donated more than a million dollars each year to those individuals and organizations he believed most improved our understanding of religion. Tony is also a firm believer that your income is in direct proportion to your contribution.

Take a few moments to read this discussion Tony once had with Sir John Templeton on the subject of tithing, and discover what tithing could do for you!

Tony Robbins: How do you resolve the break that so many people have between spirituality, if I may ask you, and finance, because they go together?

Sir John Templeton: Always start out to give more than you get, to give more than is expected from you, to treat the other person more than fairly. And that is the secret of success. Never try to take advantage of anyone, or to hold anyone back in their own progress. The more you help others, the more prosperous you will be personally.

Tony Robbins: What is your definition of wealth, Sir John?

Sir John Templeton: If I had to choose one investment, Tony, the one that I've never seen to fail, it is tithing, giving 10% or more of your income to churches and charities. I have never met or watched anyone who did tithing for 10 years, who did not become both prosperous and happy. The quality it takes to be a good tither are the same qualities it takes to be a good business man, to be popular, to be sought after by your customers.

Tony Robbins: So many people say, "Well, I'll tithe once I have some money." Why shouldn't someone wait? Why should they start now, even if they're in financial trouble?

Sir John Templeton: It's only an excuse to say that I will begin once I have more money. It doesn't matter whether your income is small or large, you can be tithing and you can be a saver. Do not try to be a go-getter, try to be a go-giver.

Tony Robbins: How do we reestablish those ... those values that have created the quality of life for you and for so many people around the world?

Sir John Templeton: You may not be able to control somebody else's thoughts, or you may not control the nation, but if you try, you can control your own thoughts. If you fill up your mind with thoughts of gratitude for your blessings, your whole life will go better, your health will be better. It'll be reflected in your appearance. People will be drawn to you. Your business will go better.

The Abrahamic Covenant of Wealth

When it comes to talking about prosperity, especially in the area of money, it strikes a bad cord with many Christians, including non-Christians. If you read the book of Genesis chapter 1 and verses 3-28 you will notice all the things that God created first, then They (The Father, Son & Holy Spirit) created man in their image (verses 26 & 27).

In verses 28 & 29 from the King James Version it says...

Genesis 1:28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Genesis 1:29 And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.

Genesis 1:30 And to every beast of the earth, and to every fowl of the air, and to every thing that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so.

God gave man a charge or a set of rules to be an overseer of the affairs that take place on earth. When Adam disobeyed the command of God, then through the seed of Adam, mankind had forfeited its right to have dominion over the earth until Noah.

After several of Noah's generations had passed, then Abram appeared. That's when the Lord showed up to him and started the next steps of establishing God's restoration plan for mankind (Genesis 12:1-3).

Let's look at the meaning of the word **Covenant**:

1 : a usually formal, solemn, and binding agreement : COMPACT

2 a : a written agreement or promise usually under seal between two or more parties especially for the performance of some action b : the common-law action to recover damages for breach of such a contract.

If we go to the book of Genesis chapter 15, we can see the covenant that the Lord set with Abram.

Genesis 15:1 After these things the word of the LORD came unto Abram in a vision, saying, Fear not, Abram: I am thy shield, and thy exceeding great reward.

Genesis 15:2 And Abram said, Lord GOD, what wilt thou give me, seeing I go childless, and the steward of my house is this Eliezer of Damascus?

Genesis 15:3 And Abram said, Behold, to me thou hast given no seed: and, lo, one born in my house is mine heir.

Genesis 15:4 And, behold, the word of the LORD came unto him, saying, This shall not be thine heir; but he that shall come forth out of thine own bowels shall be thine heir.

Genesis 15:5 And he brought him forth abroad, and said, Look now toward heaven, and tell the stars, if thou be able to number them: and he said unto him, So shall thy seed be.

Genesis 15:6 And he believed in the LORD; and he counted it to him for righteousness.

Many never see the blessings of the Lord manifest in their lives due to unbelief or improper teaching in Church. Let's look at a lawyer for a moment. People use lawyers to help them with contracts and legal matters. Many of them are millionaires and billionaires, why? They understand the laws of the material realm.

If you read Joshua 1:8, it talks about if you learn the Law (God's ways of doing things), you will prosper and have good success. The Pastor of the church is the lawyer of God's laws and it's their job to teach you the law so you will prosper and have good success. If that pastor learns and follows the Laws of God, including the clients, they both will prosper, for the word of God says in the book of Romans 2:11...

For there is no respect of persons with God.

If you follow and teach the laws of God, you have no other choice but to prosper. amen
lets continue...

Genesis 15:7 And he said unto him, I am the LORD that brought thee out of Ur of the Chaldees, to give thee this land to inherit it.

Genesis 15:8 And he said, Lord GOD, whereby shall I know that I shall inherit it?

Genesis 15:9 And he said unto him, Take me an heifer of three years old, and a she goat of three years old, and a ram of three years old, and a turtledove, and a young pigeon.

Genesis 15:10 And he took unto him all these, and divided them in the midst, and laid each piece one against another: but the birds divided he not.

Let me ask you a question... Have you ever gotten the idea to give something to someone or go somewhere you never been, even tell a total stranger something that could help them, but you didn't do it? What stopped you? Was it the fear of loss or you didn't know them?

I don't want to get side tracked, but God has an agreement with humanity to bring forth an abundant life. The only problem is that many don't know or understand the Laws to see the blessings manifest in their life. Let's keep going...

Genesis 15:11 And when the fowls came down upon the carcasses, Abram drove them away.

Genesis 15:12 And when the sun was going down, a deep sleep fell upon Abram; and, lo, an horror of great darkness fell upon him.

Genesis 15:13 And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years;

Genesis 15:14 And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance.

Genesis 15:15 And thou shalt go to thy fathers in peace; thou shalt be buried in a good old age.

Many people have money invested in 401K plans, social security, bonds just to name a few for their future. If they got an understand of the Covenant of God, they will see that what God has for them is much more than any world government can provide. Thank you Jesus!! Moving on again..

Genesis 15:16 But in the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full.

Genesis 15:17 And it came to pass, that, when the sun went down, and it was dark, behold a smoking furnace, and a burning lamp that passed between those pieces.

Genesis 15:18 In the same day the LORD made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates:

Looking at verse 18, you can see that made something and gave something. God is a creates and gives. That's one of the Laws that God has established. For it is written in the book of Luke from the Amplified Bible...

Luke 6:38 Give, and [gifts] will be given to you; good measure, pressed down, shaken together, and running over, will they pour into [the pouch formed by] the bosom [of your robe and used as a bag]. For with the measure you deal out [with the measure you use when you confer benefits on others], it will be measured back to you.

The Passion Movie

Just think about the Mel Gibson movie "The Passion". Mr. Gibson sowed or invested \$34 million dollars of his money into creating that movie for God's Kingdom Business.

Not only did that movie touch the hearts of millions of people around the world; hundreds of thousands, even millions gave their life to Jesus and returned to Church.

Giving into the Kingdom of God is making an investment, not something that is going to be taken away from you.

The problem is that the education system doesn't teach you about investing into spiritual things, they teach you how to invest into material things. There are many millionaires and billionaires that have and will read this document that are depressed because of that next major deal. After they get the deal, there is still something missing.

Let me ask you this.... What fortune 500 company has been around longer than the word of God?

When you invest into the Kingdom of God, He will raise you up as a fortune 500 company with a peace of mind and a business that you can pass on to generations in your family line for years to come. Amen

Let's do some quick math on what Mel Gibson did based upon an investment scripture in the book of

Luke 8:11 Now the parable is this: The seed is the word of God.

In order for a seed to grow, it must be planted into the ground. When it comes to God's seed, it must be planted into the hearts of man.

Mel Gibson took the seed of God's word and created the Passion movie. The word was planted into the people that viewed the movie.

Now watch this....

Luke 8:12 Those by the way side are they that hear; then cometh the devil, and taketh away the word out of their hearts, lest they should believe and be saved.

There were many people that were manipulated by Satanic power to put the movie down because of the graphic content. I find that quite strange due to the fact that just about every 3-6 weeks there is a horror film coming out of Hollywood with people dying, losing limbs, and the video game industry. (this should push some buttons)

THE KINGDOM OF GOD INVESTMENTS

Matthew 13:23 But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.

Let's look at it like this..

The Abrahamic Covenant Fund Laws of ROI (Return on Investment)

Law 1. You love God first and do as the Lord instructs. (Deuteronomy 6:5-7 & Genesis 12:1-3 - Amplified Bible)

Deuteronomy 6:5 And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.

Deuteronomy 6:6 And these words, which I command thee this day, shall be in thine heart:

Deuteronomy 6:7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

Genesis 12:1 NOW [in Haran] the Lord said to Abram, Go for yourself [for your own advantage] away from your country, from your relatives and your father's house, to the land that I will show you.

Genesis 12:2 And I will make of you a great nation, and I will bless you [with abundant increase of favors] and make your name famous {and} distinguished, and you will be a blessing [dispensing good to others].

Genesis 12:3 And I will bless those who bless you [who confer prosperity or happiness upon you] and curse him who curses {or} uses insolent language toward you; in you will all the families {and} kindred of the earth be blessed [and by you they will bless themselves].

Have you ever said any thing to offend someone that God has blessed? Many business have failed due to greed, bitterness, unforgiveness and trying to please others.

Law 2. When you give into an anointed ministry, that Man of Woman of God must bless you (give you an endowment with power) for your Kingdom investment. (Genesis 14:18-23 - Amplified Bible)

Genesis 14:18 Melchizedek king of Salem [later called Jerusalem] brought out bread and wine [for their nourishment]; he was the priest of God Most High,

Genesis 14:19 And he blessed him and said, Blessed (favored with blessings, made blissful, joyful) be Abram by God Most High, Possessor {and} Maker of heaven and earth,

Genesis 14:20 And blessed, praised, {and} glorified be God Most High, Who has given your foes into your hand! And [Abram] gave him a tenth of all [he had taken].

Genesis 14:21 And the king of Sodom said to Abram, Give me the persons and keep the goods for yourself.

Genesis 14:22 But Abram said to the king of Sodom, I have lifted up my hand {and} sworn to the Lord, God Most High, the Possessor {and} Maker of heaven and earth,

Genesis 14:23 That I would not take a thread or a shoelace or anything that is yours, lest you should say, I have made Abram rich.

What your investment will be used for:

- **Saving souls**
- **Teaching and training disciples for Christ (to raise the dead, cast out demons and heal the sick)**
- **Outreach Ministry Programs**
- **Creating Schools**
- **Hospitals**
- **Television programs**
- **Jobs & Start-up business development programs**
- **Crusades**
- **Banking**
- **Real Estate**
- **Feeding the Homeless**
- **Creating shelters for Orphans and schools**

I've found it quite interesting that many savvy investors put their money into companies hoping to get an return on their investments and have no idea what happens to the money after they make the transaction. Just think about that for a moment. How many times have you given money to someone for a certain cause, then you find out that it was used for something else?

Law 3. When you are called by God to do or give something close to your heart, He is going to give you more than what you asked for. Let's look at what God did for Mel Gibson.

Investor: Mel Gibson - [The Passion of Christ Movie](#)

Production Budget / Investment: \$35 million

Now when you invest in the Kingdom of God like Mel Gibson did with the Passion Movie, this is what happened.

10% of \$35 M = \$350K

Offering \$34.6 M (anything over the 10% moves into the offering section)

Worldwide Sales: **\$611,899,420 and counting!**

Let do some deductions...

Wait one minute... I'm not going to do what I had planned to do, I'm going to do something better... Let's look at the company that did the distribution for The Passion.

Newmarket Films biggest movie distribution before The Passion was this movie called "Monsters", and they grossed \$34,469,210. They were the only company that was willing to distribute The Passion Movie, and their gross earnings for that was a whopping **\$370,782,930!**

Remember Genesis 12:2

Genesis 12:2 And I will make of you a great nation, and I will bless you [with abundant increase of favors] and make your name famous {and} distinguished, and you will be a blessing [dispensing good to others].

Mel Gibson had a hard time trying to find a studio that would produce the movie, but God gave him favor; His name is famous and distinguished and Newmarket Films distributed the good!

What type of investment program can give you that type of return? You don't need a GED to figure that out? Amen!

For it is written in the book of Joshua 1:8 & Mark 10:29 & 30 from the Amplified Bible...

Joshua 1:8 This Book of the Law shall not depart out of your mouth, but you shall meditate on it day and night, that you may observe {and} do according to all that is written in it. For then you shall make your way prosperous, and then you shall deal wisely {and} have good success.

Mark 10:29 Jesus said, Truly I tell you, there is no one who has given up {and} left house or brothers or sisters or mother or father or children or lands for My sake and for

the Gospel's

Mark 10:30 Who will not receive **a hundred times as much now in this time**--houses and brothers and sisters and mothers and children and lands, with persecutions--and in the age to come, eternal life.

As you all know, Mel Gibson got persecuted for making the Passion movie, but by doing that movie, God gave blessed Him just like Abraham for going into Egypt in the book of Genesis 12:11-20: 13:1, for it is written..

Genesis 12:11 And when he was about to enter into Egypt, he said to Sarai his wife, I know that you are beautiful to behold.

Genesis 12:12 So when the Egyptians see you, they will say, This is his wife; and they will kill me, but they will let you live.

Genesis 12:13 Say, I beg of you, that you are my sister, so that it may go well with me for your sake and my life will be spared because of you.

Genesis 12:14 And when Abram came into Egypt, the Egyptians saw that the woman was very beautiful.

Genesis 12:15 The princes of Pharaoh also saw her and commended her to Pharaoh, and she was taken into Pharaoh's house [harem].

Genesis 12:16 And he treated Abram well for her sake; he acquired sheep, oxen, he-donkeys, menservants, maidservants, she-donkeys, and camels.

Genesis 12:17 But the Lord scourged Pharaoh and his household with serious plagues because of Sarai, Abram's wife.

Genesis 12:18 And Pharaoh called Abram and said, What is this that you have done to me? Why did you not tell me that she was your wife?

Genesis 12:19 Why did you say, She is my sister, so that I took her to be my wife? Now then, here is your wife; take her and get away [from here]!

Genesis 12:20 And Pharaoh commanded his men concerning him, and they brought him on his way with his wife and all that he had.

Genesis 13:1 SO ABRAM went up out of Egypt, he and his wife and all that he had, and Lot with him, into the South [country of Judah, the Negeb].

Genesis 13:2 **Now Abram was extremely rich in livestock and in silver and in gold.**

Why did Abram come out of Egypt rich? He did as the Lord instructed. He was walking by the spirit (the voice or the word) of the Lord and not by sight.

Deuteronomy 8:6 Therefore thou shalt keep the commandments of the LORD thy God, to walk in his ways, and to fear him.

Deuteronomy 8:7 For the LORD thy God bringeth thee into a good land, a land of brooks of water, of fountains and depths that spring out of valleys and hills;

Deuteronomy 8:8 A land of wheat, and barley, and vines, and fig trees, and pomegranates; a land of oil olive, and honey;

Deuteronomy 8:9 A land wherein thou shalt eat bread without scarceness, thou shalt not lack any thing in it; a land whose stones are iron, and out of whose hills thou mayest dig brass.

Deuteronomy 8:10 When thou hast eaten and art full, then thou shalt bless the LORD thy God for the good land which he hath given thee.

Deuteronomy 8:11 Beware that thou forget not the LORD thy God, in not keeping his commandments, and his judgments, and his statutes, which I command thee this day:

Deuteronomy 8:12 Lest when thou hast eaten and art full, and hast built goodly houses, and dwelt therein;

Deuteronomy 8:13 And when thy herds and thy flocks multiply, and thy silver and thy gold is multiplied, and all that thou hast is multiplied;

Deuteronomy 8:14 Then thine heart be lifted up, and thou forget the LORD thy God, which brought thee forth out of the land of Egypt, from the house of bondage;

Deuteronomy 8:15 Who led thee through that great and terrible wilderness, wherein were fiery serpents, and scorpions, and drought, where there was no water; who brought thee forth water out of the rock of flint;

Deuteronomy 8:16 Who fed thee in the wilderness with manna, which thy fathers knew not, that he might humble thee, and that he might prove thee, to do thee good at thy latter end;

Deuteronomy 8:17 And thou say in thine heart, My power and the might of mine hand hath gotten me this wealth.

Deuteronomy 8:18 But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as it is this day.

Deuteronomy 8:19 And it shall be, if thou do at all forget the LORD thy God, and walk after other gods, and serve them, and worship them, I testify against you this day that ye shall surely perish.

Deuteronomy 28:1 IF YOU will listen diligently to the voice of the Lord your God, being watchful to do all His commandments which I command you this day, the Lord your God will set you high above all the nations of the earth.

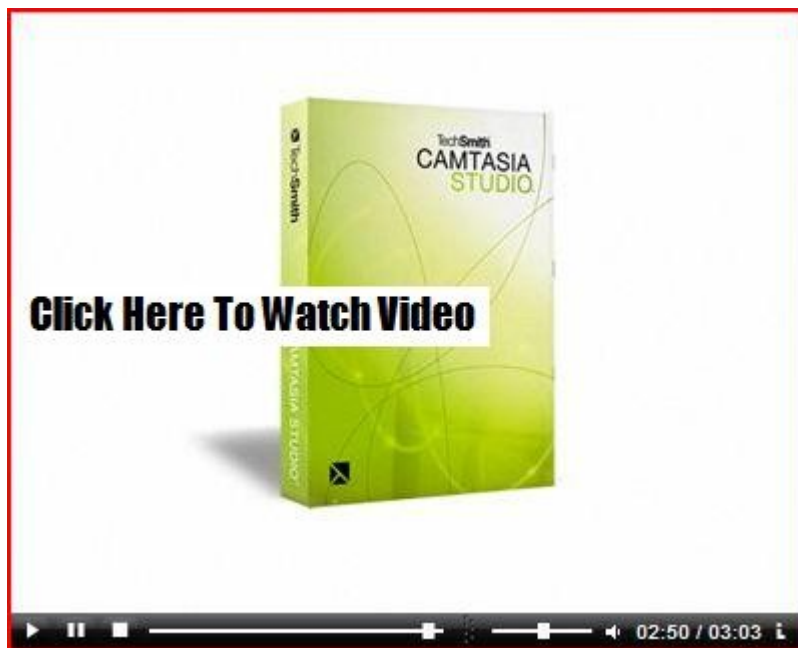

Deuteronomy 28:2 And all these blessings shall come upon you and overtake you if you

heed the voice of the Lord your God. Amen
